**Aug. 22-
Aug. 26th**

Mrs. Fazzari's Classroom Newsletter

Announcements!

We will be covering our text books in class this week. Please send in 3 brown grocery bags. Our fourth grade friends will be coming in to help us.

This week we will start challenge spelling words. If your child is on the challenge list, he or she will have the challenge words written in their agenda. In order to receive the challenge list, your child can only misspell 2 words or less on the pretest.

- Students who are on the challenge list will choose one spelling activity to complete instead of the spelling worksheets.

Spelling Words

Spelling Words: Long Vowels VCe

1. page
2. nose

9. climate
10. spider
11. confuse
12. motive

Homework

Students will have math and spelling homework each night. Part of their homework is to also have their agenda signed by their parents and brought to school each day. Please help me, help your child, become responsible for these.

Take Home Folders

Take Home Folders will go home each Monday and will need to be signed and returned Tuesday. Inside your child's folder you will find his/her completed class work from previous week. You may keep all of their work at home unless something is stamped *Sign and Return* or *Correct*.

This Week's Assignments

This week in Reader's Workshop we will be reading *Exploring Space with an Astronaut*. Our focus will be on main idea and details as well as text structure. Students should become familiar with the story through the week and will take a reading assessment on Friday.

This week in math we will continue working with basic addition and subtraction. Please allow opportunities for students to add at home. Students will also take their first "Fast Fact" test this Friday. Students will have 5 minutes to complete 100 basic fact problems.

This week in Science we will continue to learn about the scientific process and the steps scientists take.
