## ~Thanksgiving Edition~

### Happy Thanksgiving

There are so many reasons to be thankful this year. I would like to take this time to tell you what I'm thankful for.

I'm thankful for students who are eager to learn, and parents who are supportive.

I'm thankful for the questions, the discussions, the problems and the answers.

I'm thankful for the smiling faces, the laughs of enjoyment and the excitement for knowledge.

I'm thankful for the stories we've shared and the memories we've made.

I'm thankful for the friendships that have grown, the compassion that is shown and the love that is given.

I'm thankful for the wonderful second grade family I have.

### A Thanksgiving Blessing

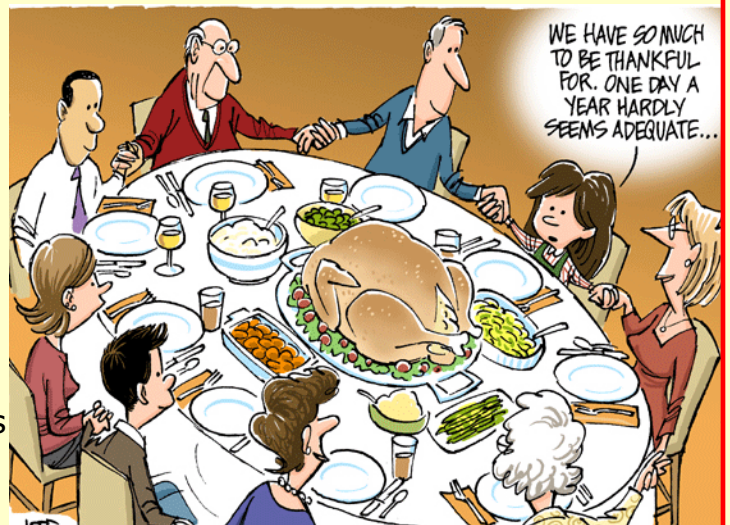

Thank you for the blessings that you give to us each day;

For friends and family we hold dear, for all you send our way.

We ask that you will guide us well, in everything we do,

And pray we never will forget these blessings came from you.

Amen.
