Team Parents,

Box Tops for Education is a school fundraising program launched by General Mills in 1996. Since then America's schools have earned \$400 million of extra financial help to give our kids a quality education.

This year our goal is to raise \$1000. Below are four easy, everyday ways you can help.

1. Clip—Clip **Box Tops** from 100s of everyday household products and foods from over 50 companies. Each one is worth 10¢ when our school redeems them from General Mills.
2. Sign up—It's easy and free! Join the cause for a quality education for our kids through www.boxtops4education.com.
3. Click—Shop online at your favorite stores through www.boxtops4education.com/earn/marketplace and our school will instantly earn eBoxTops electronically.
4. Read—Buy books online through www.boxtops4education.com/earn/readingroom which will earn our school up to 6 eBoxTops. **Box Tops** and Barnes & Noble have teamed up for this program

People who join **Box Tops for Education** are passionate about helping schools succeed and giving students more opportunities to learn. As a member you'll be privy to:
