

SEAS Uniform Policy

All Kindergarten (beginning 21-22 school year) through 8th grade students are required to wear the official school uniform from our uniform provider. The purpose of a clean, neat appearance and appropriate attire is to teach students respect for themselves and others, reduce “dress competition,” and eliminate distractions to the learning process. The school uniform code is expected to be observed from the time students arrive in the morning until they leave campus after dismissal. These uniforms help to identify our students and are to be worn with pride.

If uniforms are not within acceptable guidelines, the student will be required to change, or a parent/guardian will be called to obtain suitable attire. To avoid this situation, please monitor your child’s/children’s dress before leaving home. **Long pants should reach the ankle, khaki shorts must be of a Bermuda length, and skirts must be no shorter than one inch above the knee.** Your cooperation with the uniform policies is greatly appreciated.

The final judgment on the appropriateness of or if the uniform meets the school standard rests with the administration.
