

# CHAMPIONS®

**JANUARY 21, 2025**

## Inside The Room

We hope you had a relaxing and enjoyable three-day weekend! Last week at Champions, we packed so much fun into our time together. Students had fun eating s'mores, participating in chess club, diving into exciting stories during book club, and most importantly, building friendships.

We also had fun learning about advertising and even made a pretend commercial—it was such a creative and engaging experience for everyone! Over the next two weeks, we'll explore the exciting world of maps and geography whenever time allows.

It has been heartwarming to witness the kindness and camaraderie displayed by our students. They've been taking the initiative to help one another and lift each other up in meaningful ways that would make any parent proud.

We've been listening to your feedback and are placing extra emphasis on staying consistent with homework routines. We're here to support your child's growth every step of the way!
