

# CHAMPIONS®

**FEBRUARY 3, 2025**

## Inside The Room

Happy February, Champions Families!

We've had a fantastic time exploring maps in our curriculum, creating imaginative and detailed designs. Alongside our learning, students have enjoyed crocheting club, chess club, bracelet making, and diving into exciting new books.

It has been wonderful to see the kiddos teaching each other how to crochet and play chess, fostering teamwork and creativity. Our junior counselors have also been amazing, stepping up to help and support their peers.

We have been blessed with so many special moments, like when a student excitedly shares that they got 100% on a test. These moments remind us of the joy in learning and the pride our students take in their achievements.

For the next two weeks, we will be exploring folk music! We are excited to introduce students to different cultural traditions and the stories behind the music.

We're looking forward to another great month filled with learning, fun, and friendship!
