

# CHAMPIONS®

**MARCH 3, 2025**

## Inside The Room

### Exploring the Solar System

Last week our Champions had a great time learning about the solar system. Using creativity, we painted planets and shaped them with Playdough. It was wonderful to see students use their imagination while exploring space.

### Next Up: Focus on Wellness

As we move into spring, we will shift our focus to health and wellness. Our next unit, "Focus on Wellness," will encourage healthy habits, movement, mindfulness, and making good choices. We are excited to take part in activities that promote well-being.

### Recognizing Student Success

We are proud of our students for working hard in school. Your dedication and good grades continue to impress us. Keep up the great work—we love seeing your progress! Stay tuned for more learning and fun ahead! Thank you for being part of the Champions After-School Program.

Let's make this spring a great season!

## Reminders

- \*Our next early release day is March 14th.
- \*Our next school closure is Monday March 17th
- \*Open Enrollment starts March 11th, stay tuned for more exciting info

## Scheduling

If you need assistance, our wonderful family support hotline will be happy to help.
